of the North West quarter and the fractional North
half of the South West quarter of section nineteen
in Township fifty-six North of Range seven West
of the Fourth Principal Meridian, in the
containing one hundred and forty
and six hundredths of an acre.

GLO Records

We are BLM's "Center of Excellence" for managing historic land title records, survey plats, and field notes.

We maintain more than 9 million historic land title records from the 30 Public Domain States, dating back to 1787.

We have developed the GLO website as a valuable tool to easily determine public land ownership status and maintain it as a valuable resource for millions of Americans who trace family histories through land ownership.
